Using the Cloud

Tab 1: My Profile Info

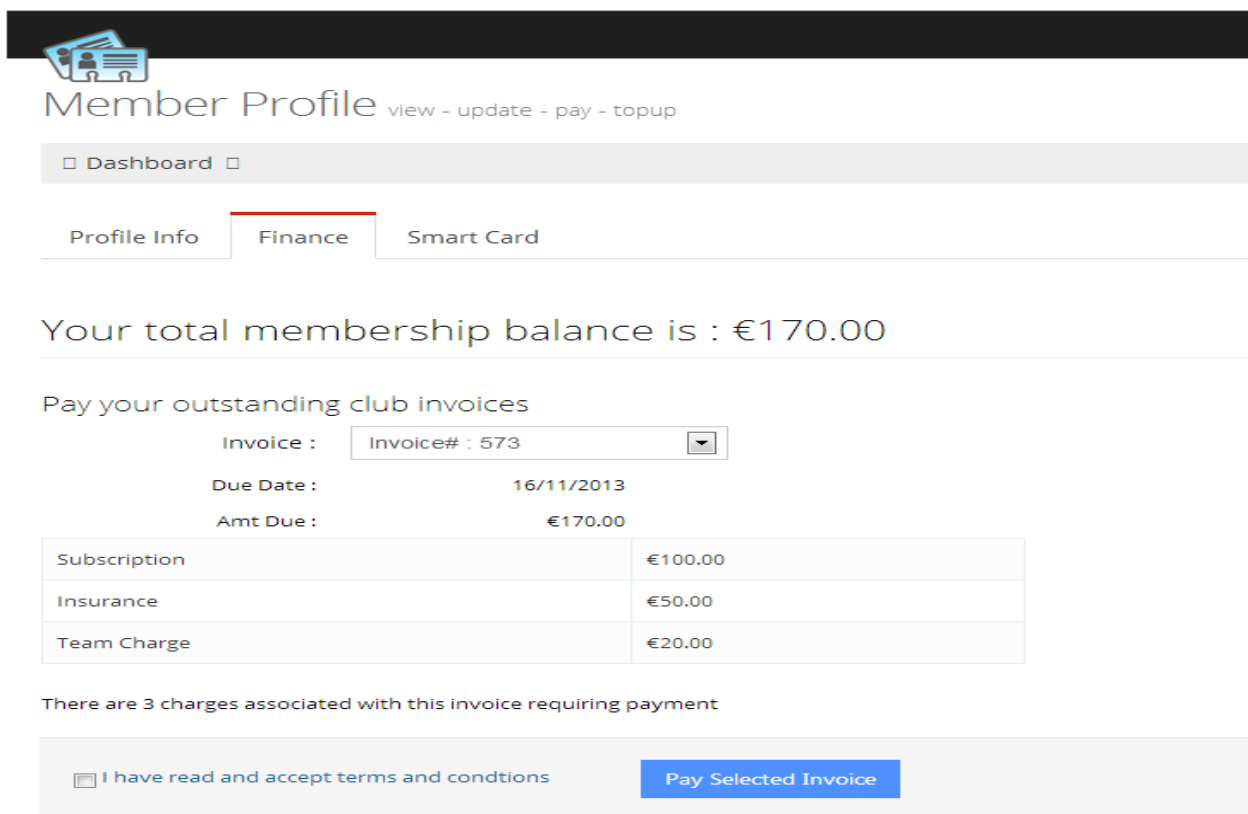

- Once you have logged-in, your own page on the Cloud will automatically open at your Profile Info tab which shows your personal details.
- You can amend any of the fields displayed in boxes and click to save any changes you make.
- You cannot change your Club name, Category or Birthday as these are managed by your Club.
- Should you wish to do so, this page also includes an option for you to change your password.

The screenshot displays a web interface for a member profile. At the top, there is a navigation bar with a logo on the left and the user's name 'Peter Venney' on the right. Below the navigation bar, the page title is 'Member Profile' with links for 'view', 'update', 'pay', and 'topup'. A breadcrumb trail shows 'Dashboard' and 'Profile Info'. The 'Profile Info' tab is active, with 'Finance' and 'Smart Card' tabs also visible. On the left, there is a placeholder for a profile picture. To the right, the user's name 'Peter Venney' is displayed, along with their club 'SmartClubSolutions', category 'Full Playing', and birthday '14/03/1985'. Below this, the 'Your Address Details' section contains form fields for 'Address Line 1' (Smart Club Solutions), 'Address Line 2' (Unit 28 Down Business Centre), 'City' (Downpatrick), 'County' (Down), and 'Post Code' (BT30 7QZ). The 'Your Contact Details' section includes fields for 'Home Phone', 'Mobile', 'Email' (peter@smartclubsolutions.com), 'Work Phone', 'Fax No', and 'Skype'. At the bottom of the form, there are 'Save Changes' and 'Cancel' buttons, and a link for 'Change Password?'. The footer of the page shows '2013 © SmartClubCloud'.

So if you move house, change your mobile phone number or change your email address, all you have to do is log-on to the Cloud to amend the information which the Club holds in its Member database.

Tab 2: My Finance

- Selecting the Finance tab will automatically display any balance of outstanding invoices owed by you to the Club.
- Selecting an individual invoice from the dropdown menu will show the Due Date and the Amount Due for that specific invoice.
- To pay an invoice simply select it from the Invoice menu, tick the box to accept standard terms and conditions, and click the Pay Selected Invoice button to securely enter your credit/debit card details and pay the invoice in full on a new page. Part-payments are not possible at this stage.
- All payments are processed securely by Realex Payments via a Secure HTTPS server where all details are encrypted during the payment process.
- You will receive an instant automated email to confirm that your payment was successful (or to advise if it was unsuccessful) and your relevant invoice will be updated as paid in the Club's database and in your Cloud.
- Should you wish to review your payments to the Club, you are able to view historic invoices and payments by selecting the relevant item from the Invoice dropdown menu.

The screenshot shows a user interface for a 'Member Profile'. At the top, there is a navigation bar with 'Member Profile' and links for 'view - update - pay - topup'. Below this is a 'Dashboard' section with three tabs: 'Profile Info', 'Finance' (which is selected), and 'Smart Card'. The main content area displays 'Your total membership balance is : €170.00'. Underneath, there is a section titled 'Pay your outstanding club invoices' which includes a dropdown menu for 'Invoice #' showing '573', and fields for 'Due Date : 16/11/2013' and 'Amt Due : €170.00'. A table lists the charges: Subscription (€100.00), Insurance (€50.00), and Team Charge (€20.00). Below the table, it states 'There are 3 charges associated with this invoice requiring payment'. At the bottom, there is a checkbox for 'I have read and accept terms and conditions' and a blue button labeled 'Pay Selected Invoice'.
