Registering for GAA Membership online

ONLINE MEMBERSHIP

If your club has set up online payments, depending on the membership option which you select, you will be able to pay for your membership online.

Please be advised that Installment membership options will be made available in the new year therefore if your club is providing this option, you will not be able to register until February.

SINGLE ONLINE PAYMENT

The following steps and screenshots outline the process you as a club member, or parent/guardian of a club member will take to register with your club on Foireann.

1. Navigate to the **Membership** section.
2. Click on the **'Register'** button beside the membership option you wish to select.

The screenshot shows the Foireann website interface. On the left is a dark blue sidebar with navigation links: Home, Profile, Family, Events, Teams, Membership (highlighted with a red box), Contact, and Logout. The main content area is titled 'Membership Options' and features three membership cards, each with the GAA logo. The 'Adult Player' card is highlighted with a red box around its 'REGISTER' button. The 'Family' card has a 'Contact the club' button. The 'Student Membership' card is also visible. In the top right corner, the user's name 'James McCabe' and a profile icon 'JM' are displayed.

3. There are three steps you must complete when selecting a membership option:

- Add Members (which includes you and/or others)

- Consent Forms & Code of Conduct
- Payment

4. Within Step 1, Adding Members, choose yourself or the family member which this option applies.
